Just listen to the answers and play the video again for the correct answer.

50.To stop video time at 01 minute 39 seconds in VLC Media Player.

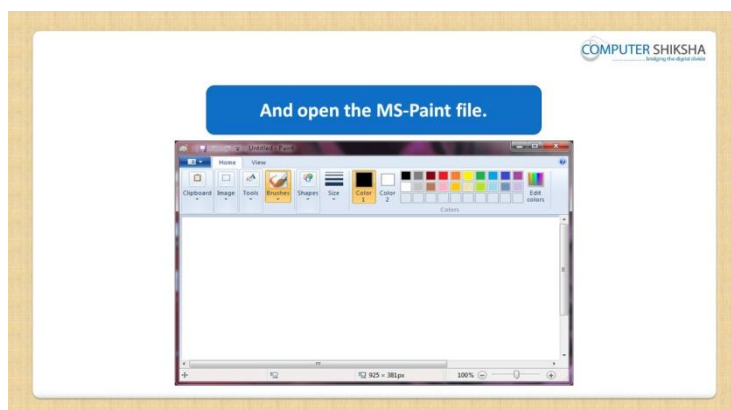

Stop video here and ask if they know why we use 'Rectangular Selection'? Just listen to the answers and play the video again for the correct answer.

51.To stop video time at 2 minute 08 seconds in VLC Media Player.

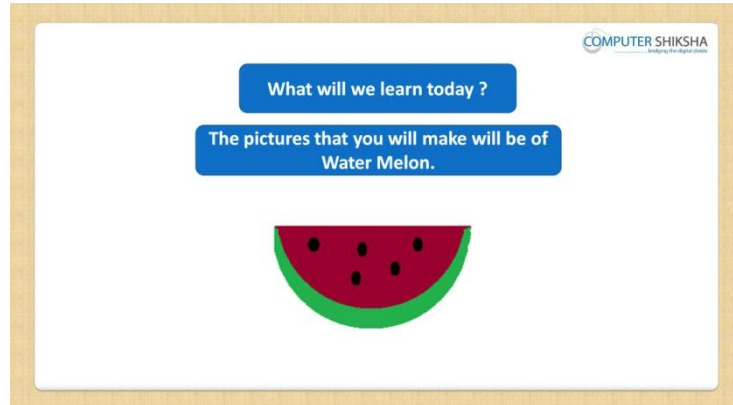

Stop video here and ask what happens if we cut by using 'Color box 1' and 'Color box 2' with the help of 'Solid color'? Just listen to the answers and play the video again for the correct answer.

52.To stop video time at 02 minute 40 seconds in VLC Media Player.

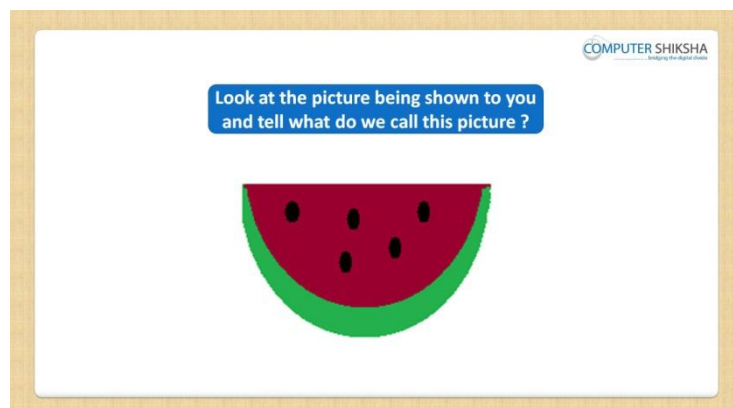

Stop video here and ask students to open MS-paint and then play the video again.

53.To stop video time at 02 minute 58 seconds in VLC Media Player.

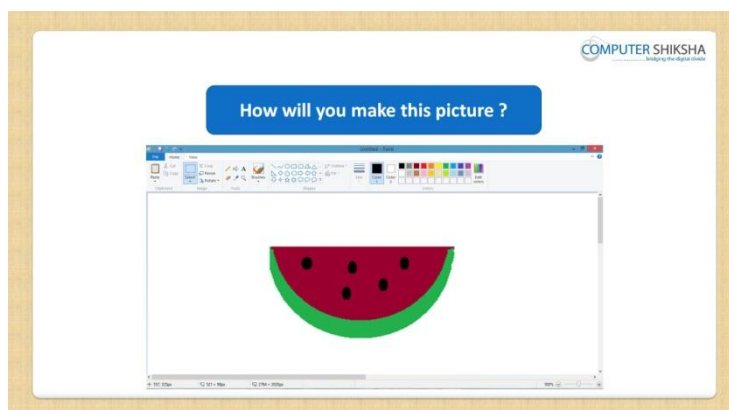

Stop video here and ask what will we learn today?
Just listen to the answers and play the video again for the correct answer.

54.To stop video time at 03 minute 04 seconds in VLC Media Player.

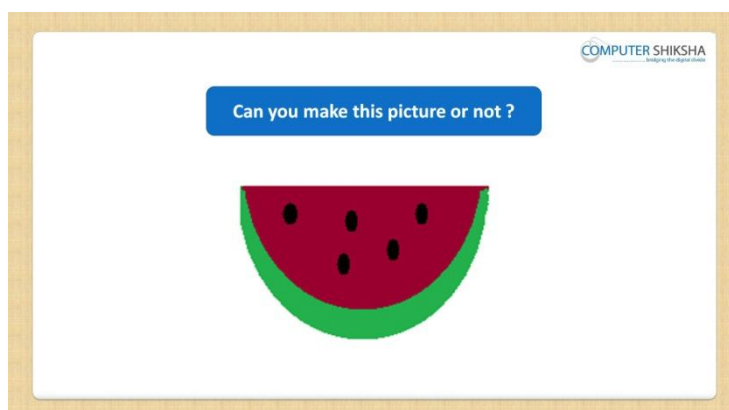

Stop video here and ask if they know what the given picture is called?
Just listen to the answers and play the video again for the correct answer.

55.To stop video time at 03 minute 12 seconds in VLC Media Player.

Stop video here and ask if they know how to make this picture?
Just listen to the answers and play the video again for the correct answer.

56.To stop video time at 03 minute 31 seconds in VLC Media Player.

Stop video here and ask if they can draw this picture?
Just listen to the answers and play the video again for the correct answer.

57.To stop video time at 04 minute 43 seconds in VLC Media Player.

Stop video here and ask students to draw a filled 'Oval' on the paint sheet as shown in the video and then play the video again.

58.To stop video time at 05 minute 30 seconds in VLC Media Player.

Stop video here and ask students to do 'Color box 2' white and cut the oval as shown in the video and then play the video again.

59.To stop video time at 06 minute 19 seconds in VLC Media Player.

Stop video here and ask students to draw a filled 'Oval' again on the paint sheet as shown in the video and then play the video again.

60.To stop video time at 06 minute 57 seconds in VLC Media Player.

Stop video here and ask students to do ‘Color box 2’ white and cut the oval as shown in the video and then play the video again.

61.To stop video time at 07 minute 35 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

62.To stop video time at 08 minute 10 seconds in VLC Media Player.

Stop video here and ask students to draw a small filled ‘Oval’ on the paint sheet as shown in the video and then play the video again.

63.To stop video time at 08 minute 58 seconds in VLC Media Player.

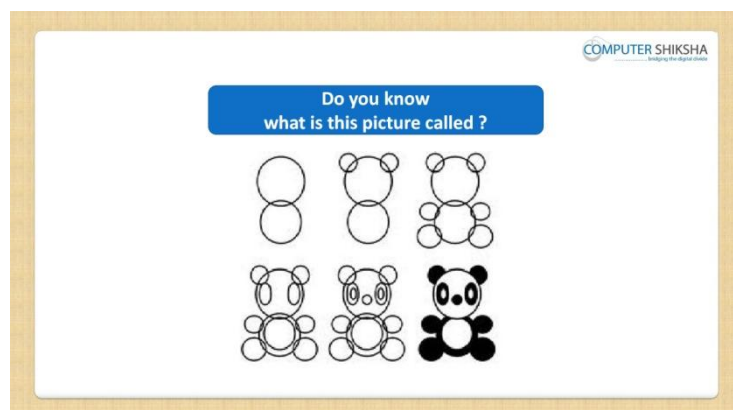

Stop video here and ask students to do ‘Color box 2’ white and then copy and paste the filled small ‘Oval’ and then play the video again.

64.To stop video time at 10 minute 06 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

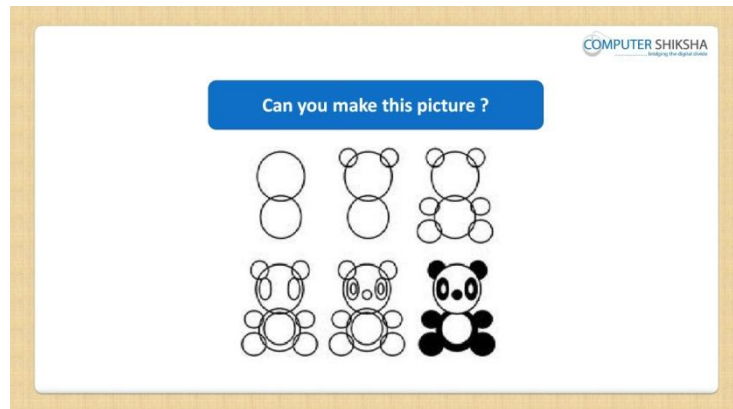

65.To stop video time at 10 minute 11 seconds in VLC Media Player.

Stop video here and ask if they know what the given picture is called?

Just listen to the answers and play the video again for the correct answer.

66.To stop video time at 10 minute 18 seconds in VLC Media Player.

Stop video here and ask if they can draw this picture?

Just listen to the answers and play the video again for the correct answer.

67.To stop video time at 11 minute 19 seconds in VLC Media Player.

Stop video here and ask students to draw a filled 'Oval' on the paint sheet as shown in the video and then play the video again.

68.To stop video time at 12 minute 55 seconds in VLC Media Player.

Stop video here and ask students to draw a filled 'Oval' on the paint sheet but color box 2 should be white as shown in the video and then play the video again.

69.To stop video time at 13 minute 09 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

70.To stop video time at 13 minute 59 seconds in VLC Media Player.

Stop video here and ask students to do 'Color box 2' white and then copy and paste the filled small 'Oval' and then play the video again.

71.To stop video time at 14 minute 54 seconds in VLC Media Player.

Stop video here and ask students to again copy and paste as shown in the video and then play the video again.

72.To stop video time at 16 minute 54 seconds in VLC Media Player.

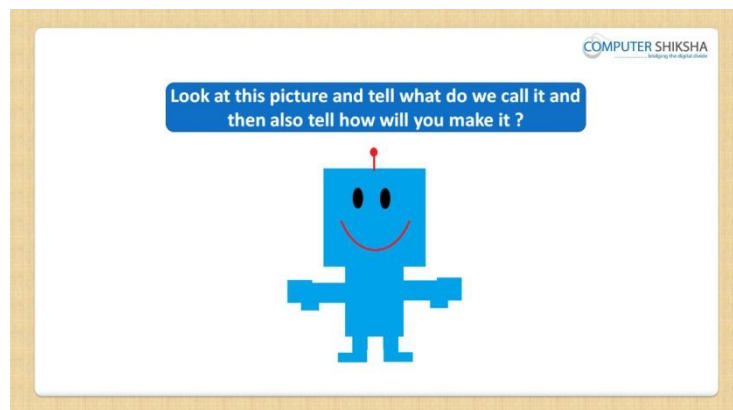

Stop video here and ask students to do as shown in the video and then play the video again.

73.To stop video time at 19 minute 19 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

74.To stop video time at 19 minute 30 seconds in VLC Media Player.

Stop video here and ask if they know what the given picture is called and how to draw this picture?

Just listen to the answers and play the video again for the correct answer.

75.To stop video time at 19 minute 50 seconds in VLC Media Player.

Stop video here and ask students to draw this picture and then play the video again.

76.To stop video time at 21 minute 12 seconds in VLC Media Player.

Stop video here and ask students to draw a filled 'Rectangle' on the paint sheet as shown in the video and then play the video again.

77.To stop video time at 21 minute 34 seconds in VLC Media Player.

Stop video here and ask students to draw a filled 'Rectangle' again on the paint sheet as shown in the video and then play the video again.

78.To stop video time at 23 minute 22 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

79.To stop video time at 23 minute 54 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

80.To stop video time at 25 minute 45 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

81.To stop video time at 26 minute 24 seconds in VLC Media Player.

Stop video here and ask students to draw a small filled 'Oval' as shown in the video and then play the video again.

82.To stop video time at 27 minute 40 seconds in VLC Media Player.

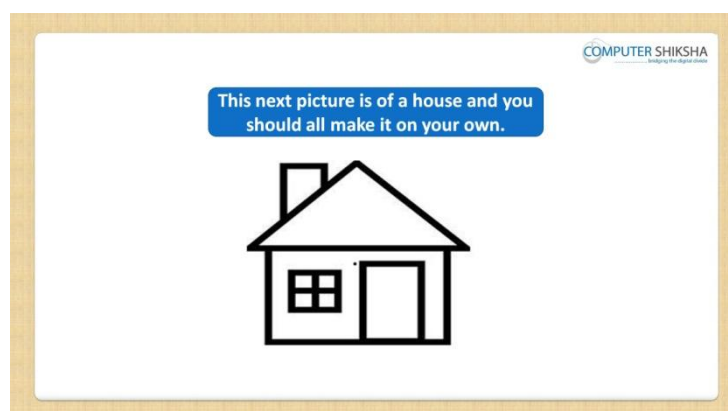

Stop video here and ask students to do 'Color box 2' white and then copy and paste the filled small 'Oval' and then play the video again.

83.To stop video time at 28 minute 50 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video..

Now just check whether they have completed the picture or not and then play the video again.

84.To stop video time at 29 minute 00 seconds in VLC Media Player.

Stop video here and ask students to draw the given picture and then play the video again.

85.To stop video time at 30 minute 33 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

86.To stop video time at 31 minute 13 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

87.To stop video time at 32 minute 31 seconds in VLC Media Player.

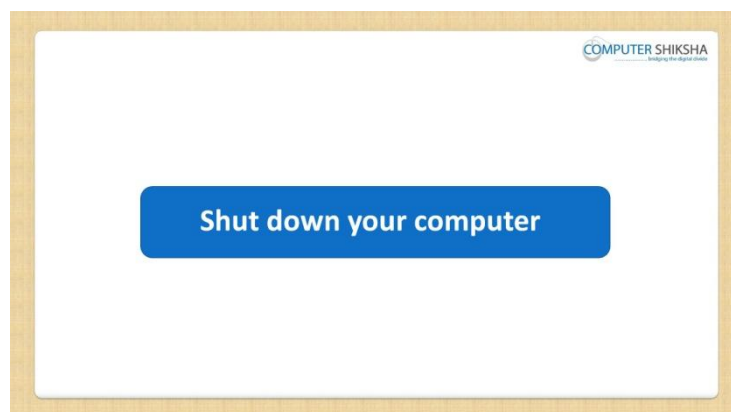

Stop video here and ask students to do as shown in the video and then play the video again.

88.To stop video time at 33 minute 43 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video..

Now just check whether they have completed the picture or not and then play the video again.

89.To stop video time at 33 minute 56 seconds in VLC Media Player.

Stop video here and ask students to save their file and properly Shutdown the computer.

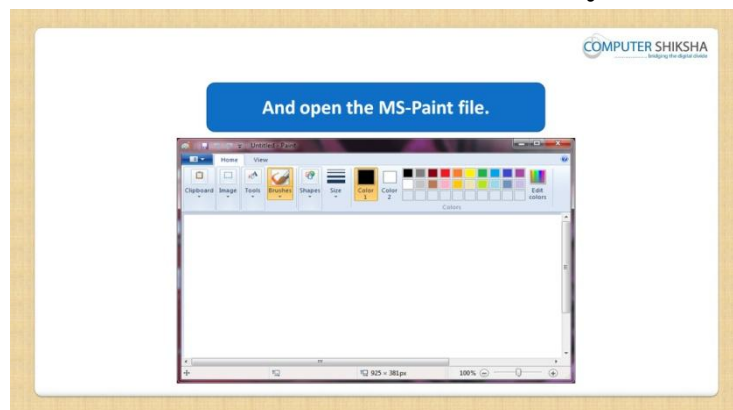

Summaries

- ✓ You will learn about Polygon tool.
- ✓ What is Polygon tool?
- ✓ How to use Polygon tool?
- ✓ And you will draw some pictures with help of Polygon tool such as ‘Crown’, ‘Tree’ and ‘Boxes’

Explain about this class before start.

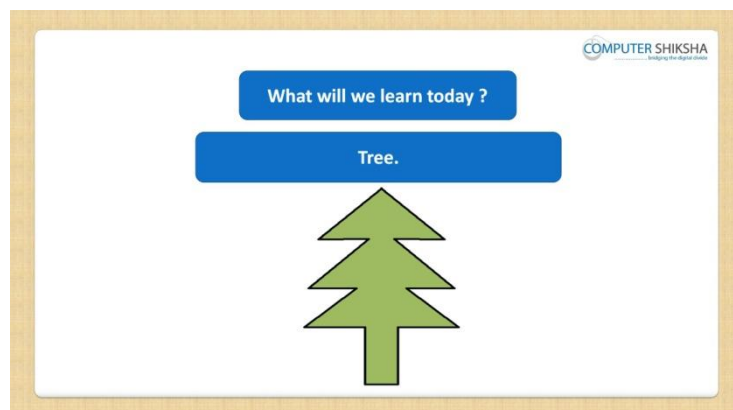

Now let's start video

90.To stop video time at 47 seconds in VLC Media Player.

Stop video here and ask students to open the MS-Paint file and then play the video again.

91.To stop video time at 1 minute 17 seconds in VLC Media Player.

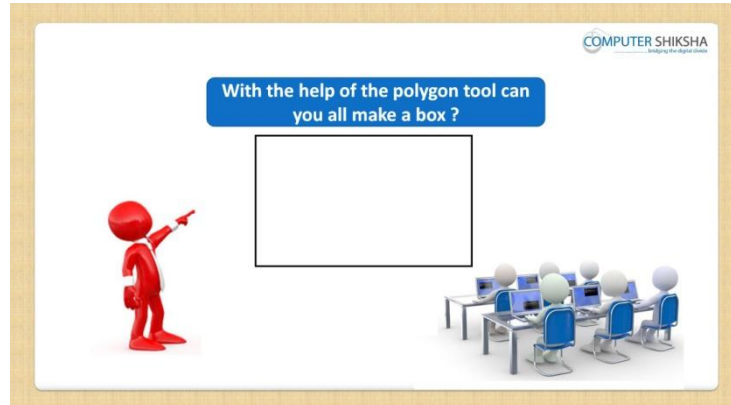

Stop video here and ask what will we learn today?

Just listen to the answers and play the video again for the correct answer.

92.To stop video time at 1 minute 23 seconds in VLC Media Player.

Stop video here and ask if they can tell what is 'Polygon' tool?
Just listen to the answers and play the video again for the correct answer.

93.To stop video time at 1 minute 54 seconds in VLC Media Player.

Stop video here and ask if they can draw a box with help of 'Polygon' tool?
Just listen to the answers and play the video again for the correct answer.

94.To stop video time at 2 minute 05 seconds in VLC Media Player.

Stop video here and ask students to draw a box with help of 'Polygon' tool and then play the video again.

95.To stop video time at 2 minute 31 seconds in VLC Media Player.

Stop video here and ask students to select 'Polygon' tool and then play the video again.

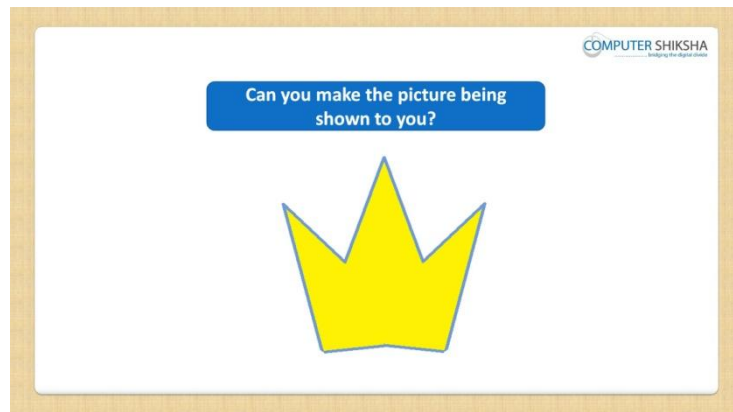

96.To stop video time at 2 minute 49 seconds in VLC Media Player.

Stop video here and ask students to draw a line as shown in the video and then play the video.

97.To stop video time at 3 minute 26 seconds in VLC Media Player.

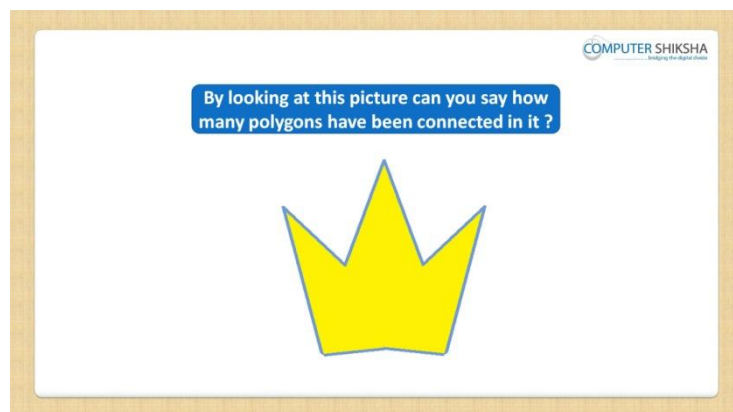

Stop video here and ask students to do as shown in the video.
Now just check and play the video again.

98.To stop video time at 3 minute 33 seconds in VLC Media Player.

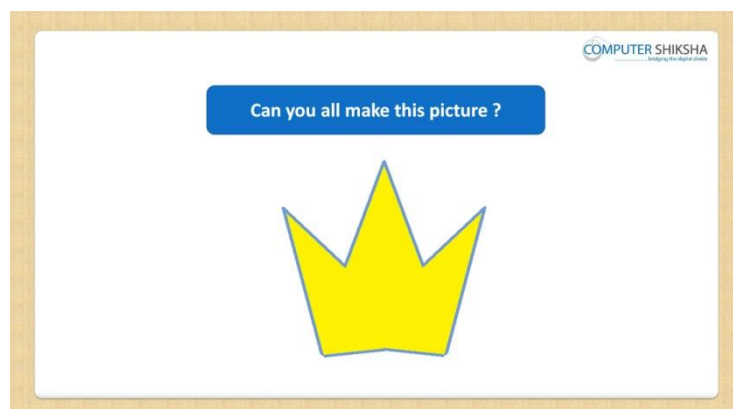

Stop video here and ask students, what is the given picture called?
Just listen to the answers and play the video again for the correct answer.

99. To stop video time at 3 minute 49 seconds in VLC Media Player.

Stop video here and ask students if they know how many polygons are connected in the photo.
Just listen to the answers and play the video again for the correct answer.

100. To stop video time at 4 minute 01 seconds in VLC Media Player.

Stop video here and ask if they can draw this picture with help of 'Polygon' tool?

Just listen to the answers and play the video again for the correct answer.

101. To stop video time at 04 minute 31 seconds in VLC Media Player.

Stop video here and ask students to select 'Polygon' tool and then play the video again.

102. To stop video time at 05 minute 07 seconds in VLC Media Player.

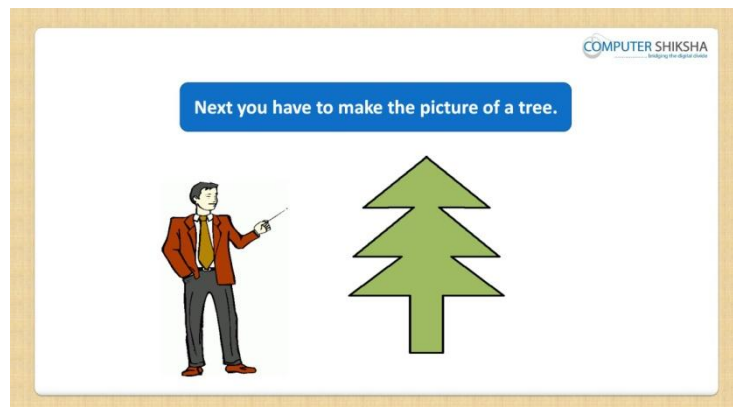

Stop video here and ask students to draw as shown in the video and then play the video.

103. To stop video time at 06 minute 24 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check and play the video again.

104. To stop video time at 06 minute 30 seconds in VLC Media Player.

Stop video here and ask students to draw the given picture as shown in the video and then play the video again.

105. To stop video time at 07 minute 14 seconds in VLC Media Player.

Stop video here and ask students to select the 'Polygon tool' and draw as shown in the video and then play the video again.

106. To stop video time at 08 minute 01 seconds in VLC Media Player.

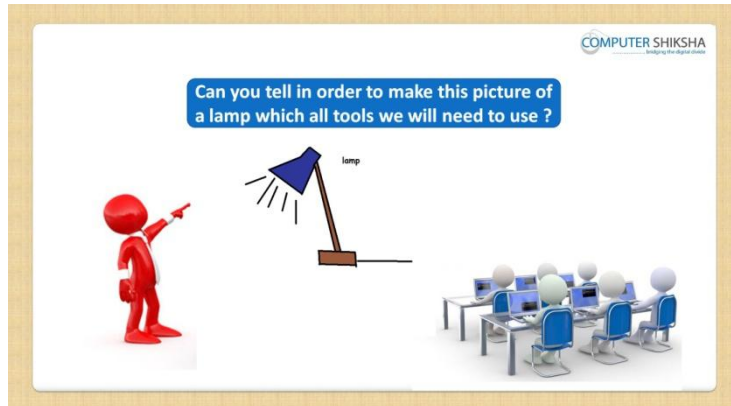

Stop video here and ask students to do as shown in the video and then play the video again.

107. To stop video time at 09 minute 31 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

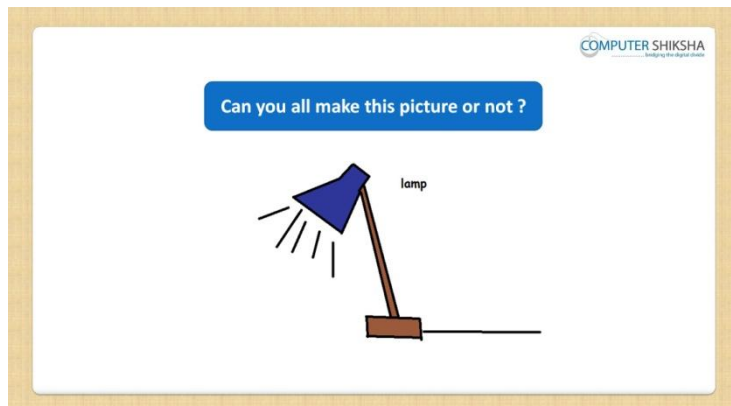

108. To stop video time at 10 minute 03 seconds in VLC Media Player.

Stop video here and ask students if they know which tools will be used to make this picture?

Just listen to the answers and play the video again for the correct answer.

109. To stop video time at 10 minute 31 seconds in VLC Media Player.

Stop video here and ask if they can make this picture?

Just listen to the answers and play the video again for the correct answer.

110. To stop video time at 11 minute 13 seconds in VLC Media Player.

Stop video here and ask students to select the line tool and then draw a line as shown in the video and then play the video again.

111. To stop video time at 11 minute 40 seconds in VLC Media Player.

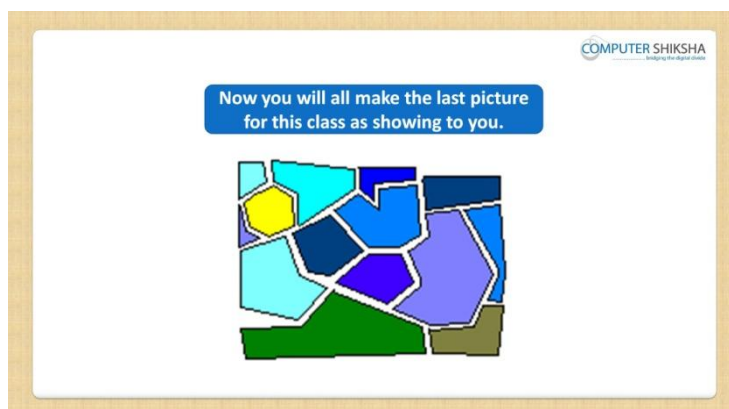

Stop video here and ask students to do as shown in the video and then play the video again.

112. To stop video time at 14 minute 52 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

113. To stop video time at 15 minute 02 seconds in VLC Media Player.

Stop video here and ask students to draw the given picture and then play the video again.

114. To stop video time at 15 minute 56 seconds in VLC Media Player.

Stop video here and ask students to select the 'Polygon tool' and draw as shown in the video and then play the video again.

115. To stop video time at 17 minute 30 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

116. To stop video time at 20 minute 05 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

117. To stop video time at 25 minute 52 seconds in VLC Media Player.

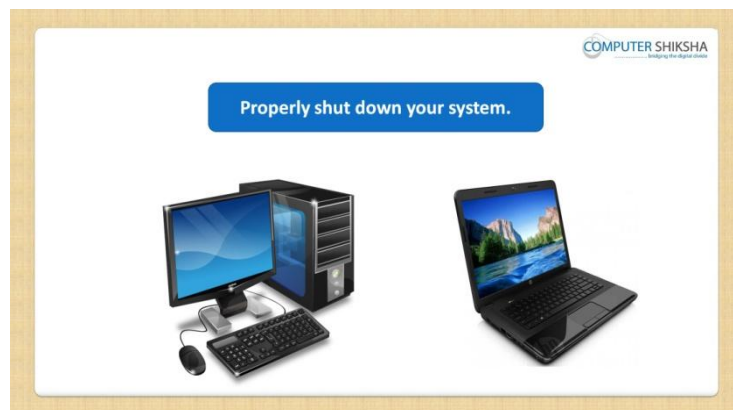

Stop video here and ask students to do as shown in the video and then play the video again.

118. To stop video time at 27 minute 16 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

119. To stop video time at 27 minute 24 seconds in VLC Media Player.

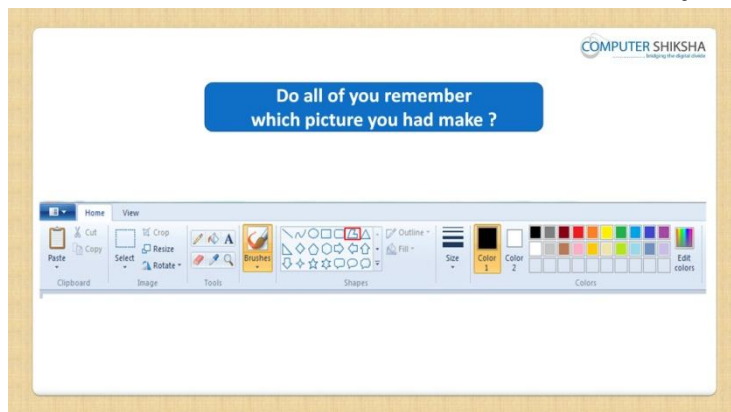

Stop video here and ask students to save their file and properly Shutdown the computer.

Complete teacher's manual for Open office Paint 2 Class 4 Summaries

- ✓ What is a Polygon tool?
 - ✓ How to use Polygon tool?
 - ✓ Use of Polygon tool
 - ✓ And you will draw some pictures with help of 'Polygon tool'. You will draw Butterfly, H alphabets and Computer Shiksha.
- Explain about this class before start.

Now let's start video

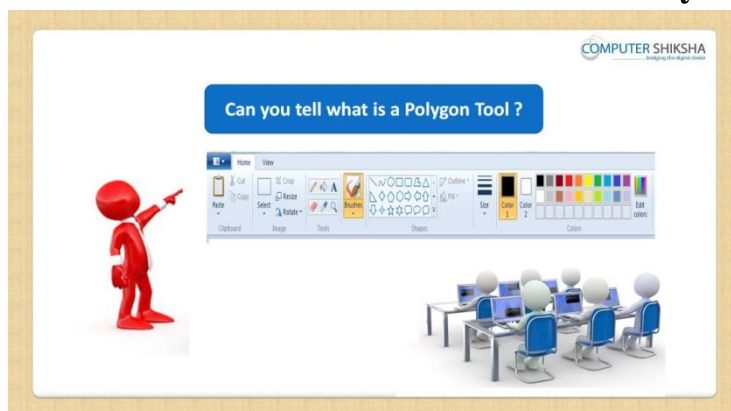

120. To stop video time at 30 seconds in VLC Media Player.

Stop video here and ask if they know which pictures were drawn in previous class?

Just listen to the answers and play the video again for the correct answer.

Stop video here and ask if they know what happens with 'Italic' option. Just listen to the answers and play the video again for the correct answer.

165. To stop video time at 21 minute 20 seconds in VLC Media Player.

Stop video here and ask what is shortcut command of 'Italic'?
Just listen to the answers and play the video again for the correct answer.

166. To stop video time at 21 minute 33 seconds in VLC Media Player.

Stop video here and ask students to change text in italic format and then play the video again.

167. To stop video time at 23 minute 39 seconds in VLC Media Player.

Stop video here and ask them to do 'Italic' as shown in video and play the video again.

Ask the students if they have done Italic or not and check.

168. To stop video time at 23 minute 46 seconds in VLC Media Player.

Stop video here and ask if they know what happens by using Underline?
Just listen to the answers and play the video again for the correct answer.

169. To stop video time at 24 minute 00 seconds in VLC Media Player.

Stop video here and ask what is shortcut command of Underline?
Just listen to the answers and play the video again for the correct answer.

170. To stop video time at 24 minute 58 seconds in VLC Media Player.

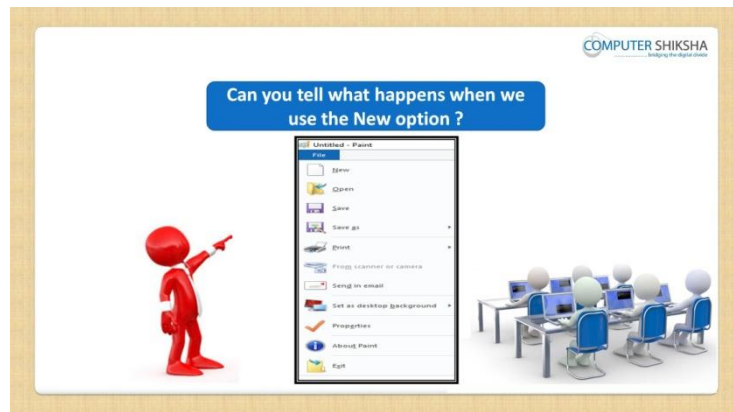

Stop video here and ask them to do 'Underline' as shown in video and play the video again.

Ask the students if they have done Underline or not and check.

171. To stop video time at 25 minute 58 seconds in VLC Media Player.

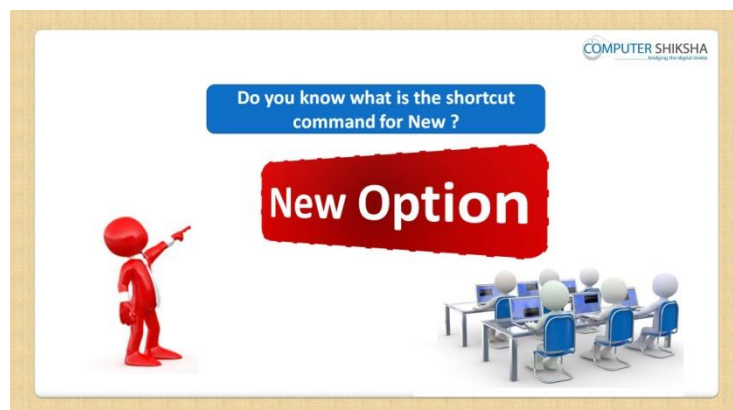

Stop video here and ask students to remove the underline as shown in the video and then play the video again.

172. To stop video time at 26 minute 23 seconds in VLC Media Player.

Stop video here and ask if they know what happens by using New?
Just listen to the answers and play the video again for the correct answer.

173. To stop video time at 26 minute 35 seconds in VLC Media Player.

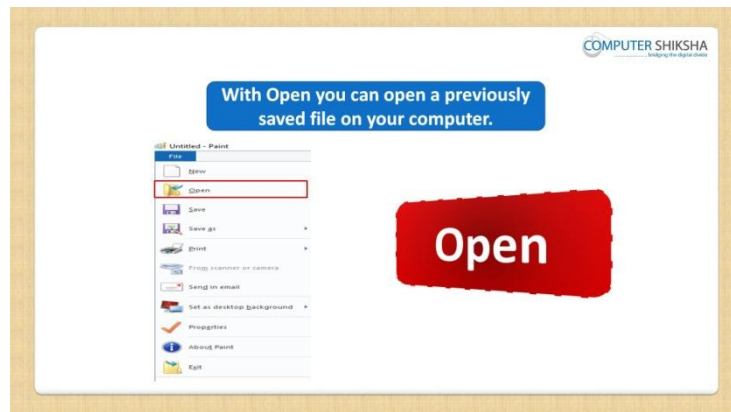

Stop video and ask if they know what is shortcut command of New?
Just listen to the answers and play the video again for the correct answer.

174. To stop video time at 27 minute 26 seconds in VLC Media Player.

Stop video here and ask them to take 'New' page as shown in video and play the video again.

Ask the students if they have taken 'New' or not and check.

175. To stop video time at 27 minute 43 seconds in VLC Media Player.

Stop video here and ask if they know what happens by using 'Open'?
Just listen to the answers and play the video again for the correct answer.

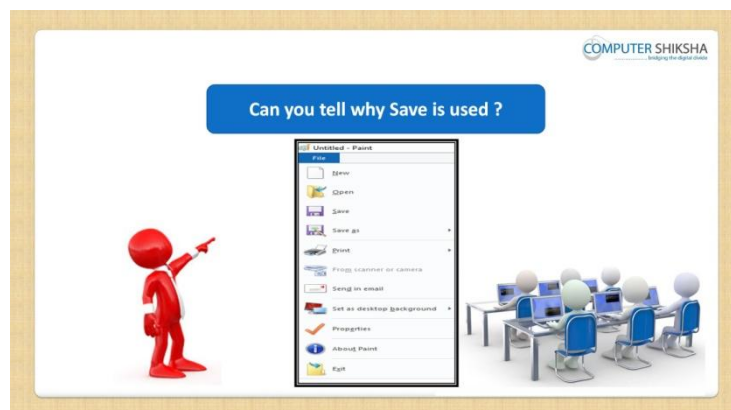

176. To stop video time at 28 minute 33 seconds in VLC Media Player.

Stop video here and ask them to Click on open option and search the document which they want to open as shown in video.

177. To stop video time at 29 minute 58 seconds in VLC Media Player.

Stop video here and ask them to do as shown in video and play the video again.
Ask the students if they have done so or not as shown in video and check.

178. To stop video time at 30 minute 10 seconds in VLC Media Player.

Stop video here and ask if they know why do we use 'Save' option?
Just listen to the answers and play the video again for the correct answer.

179. To stop video time at 31 minute 12 seconds in VLC Media Player.

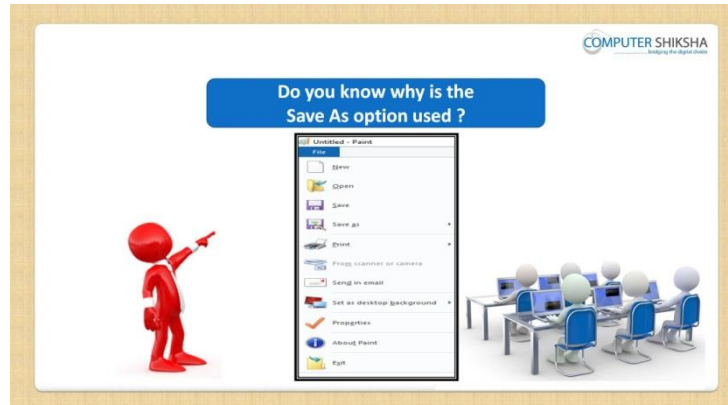

Stop video here and ask them to Click on save option and then do as shown in video.

180. To stop video time at 33 minute 00 seconds in VLC Media Player.

Stop video here and ask them to type their file name and then do as shown in video.

Ask the students if they have saved or not as shown in video and check.

181. To stop video time at 33 minute 05 seconds in VLC Media Player.

Stop video here and ask if they know why do we use 'save as' option?
Just listen to the answers and play the video again for the correct answer.

182. To stop video time at 34 minute 34 seconds in VLC Media Player.

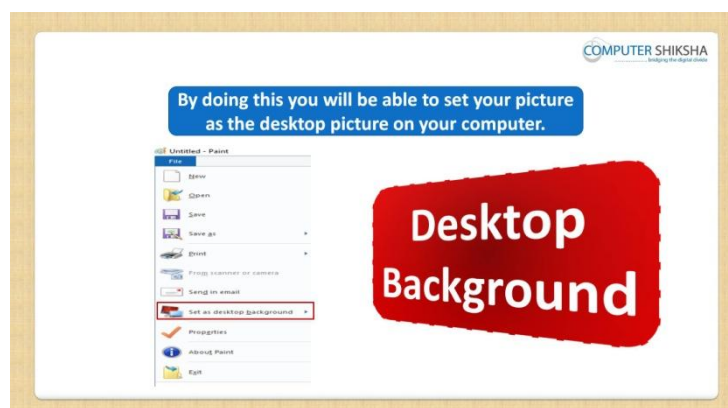

Stop video here and ask them to Click on save as option and then select my document option as shown in video.

183. To stop video time at 35 minute 28 seconds in VLC Media Player.

Stop video here and ask them to type their file name and then do as shown in video.

Ask the students if they have saved or not as shown in video and check.

184. To stop video time at 35 minute 41 seconds in VLC Media Player.

Stop video here and ask them how to set desktop background?

Just listen to the answers and play the video again for the correct answer.

185. To stop video time at 37 minute 10 seconds in VLC Media Player.

Stop video here and ask them to set desktop background as shown in video.
Ask the students if they have changed desktop background or not and check.

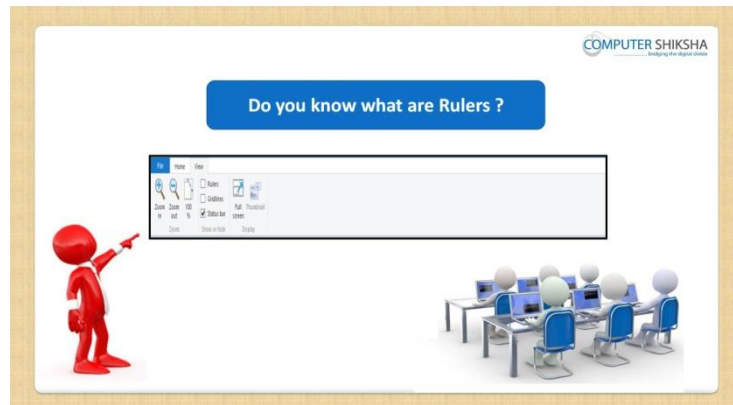

186. To stop video time at 37 minute 29 seconds in VLC Media Player.

Stop video and ask What happens by using Zoom option?
Just listen to the answers and play the video again for the correct answer.

187. To stop video time at 38 minute 55 seconds in VLC Media Player.

Stop video here and ask them to use 'Zoom in and Zoom' out as shown in video.
Ask the students if they have used zoom option or not and check.

188. To stop video time at 38 minute 58 seconds in VLC Media Player.

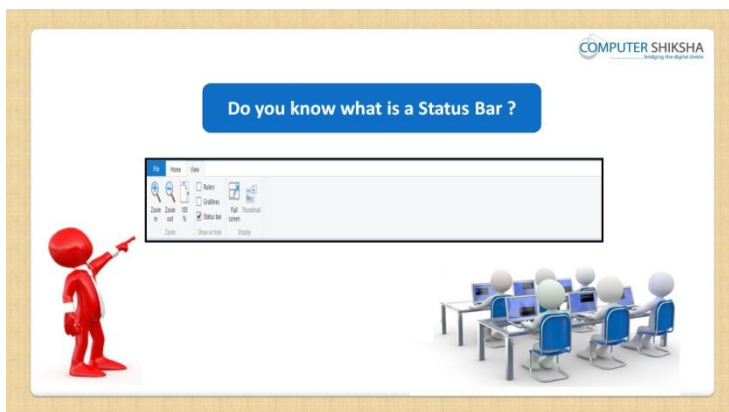

Stop video and ask if they know what are 'Rulers'?
Just listen to the answers and play the video again for the correct answer.

189. To stop video time at 40 minute 11 seconds in VLC Media Player.

Ask the students if they have done hide/show ruler or not and check.

190. To stop video time at 40 minute 16 seconds in VLC Media Player.

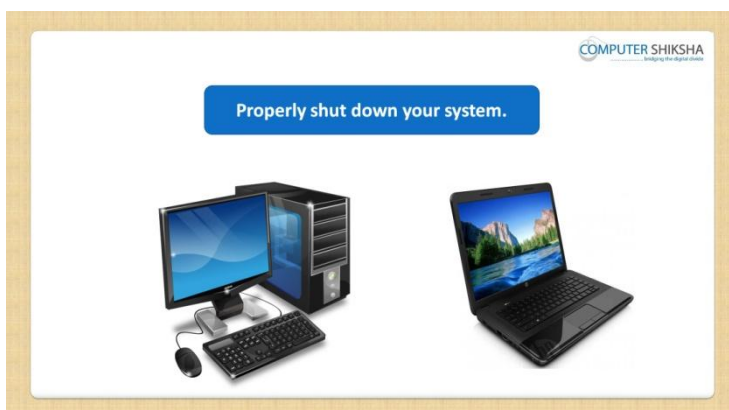

Stop video here and ask if they know what ‘Status bar’ is?
Just listen to the answers and play the video again for the correct answer.

191. To stop video time at 41 minute 21 seconds in VLC Media Player.

Stop video here and ask them to do hide/show status bar as shown in video. Ask the students if they have done hide/show status bar or not and check.

192. To stop video time at 41 minute 41seconds in VLC Media Player.

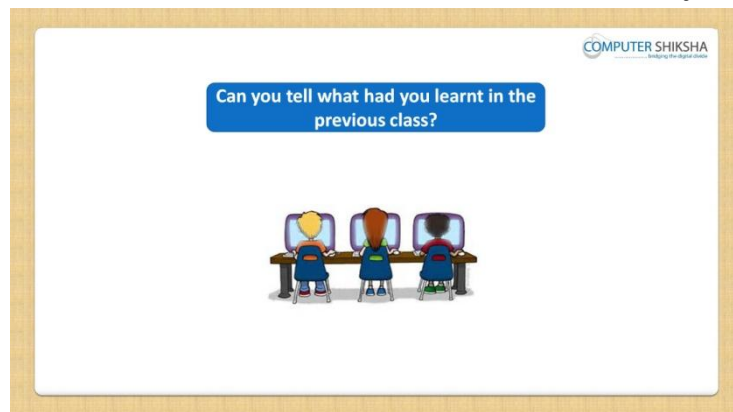

Stop video here and ask them to save their file and shutdown the computer.

266. To stop video time at 29 minute 45 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

267. To stop video time at 29 minute 55 seconds in VLC Media Player.

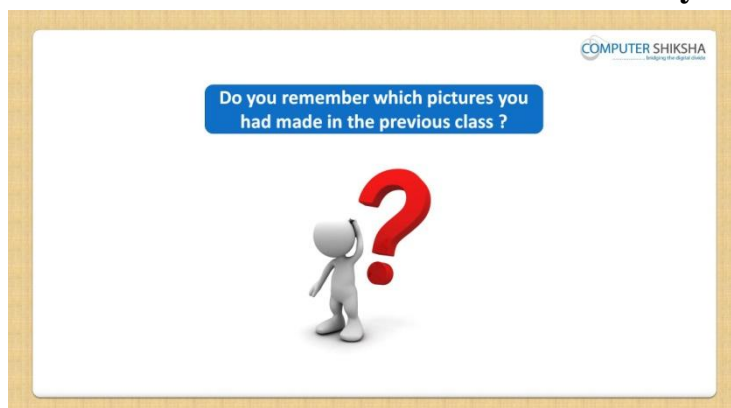

Stop video here and ask students to save their file and properly Shutdown the computer.

Complete teacher's manual for Paint 2 Class 8 Summaries

- ✓ You will learn about Curve tool .
 - ✓ What is Curve tool?
 - ✓ How to use Curve tool?
 - ✓ How to use Polygon tool?
 - ✓ At the end you will draw some pictures with help of Curve and Polygon tool such as 'scenery ', 'Fish', 'Whale' Arrow and Bow and 'Face'
- Explain about this class before start.

Now let's start video

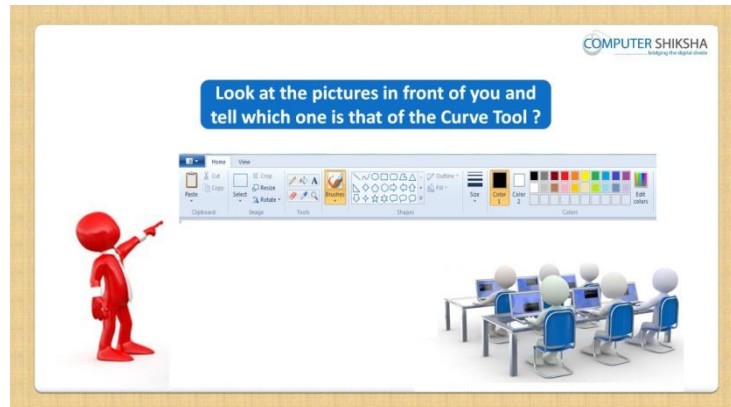

268. To stop video time at 24 seconds in VLC Media Player.

Stop video here and ask them if they remember which picture they had drawn in the previous class?

Just listen to the answers and play the video again for the correct answer.

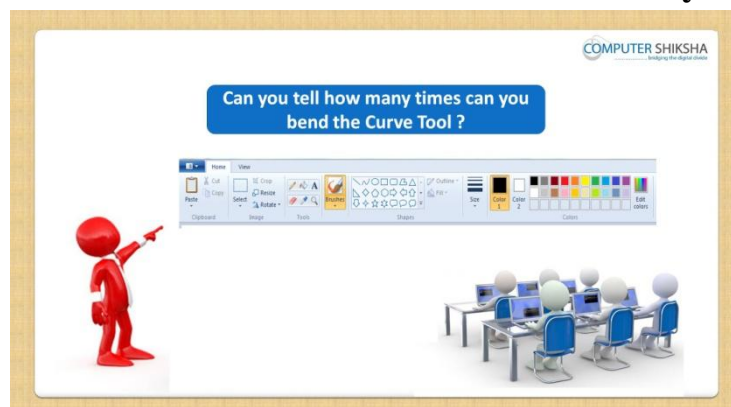

269. To stop video time at 42 seconds in VLC Media Player.

Stop video here and ask students to look on the screen and tell which one is the 'Curve' tool?

Just listen to the answers and play the video again for the correct answer.

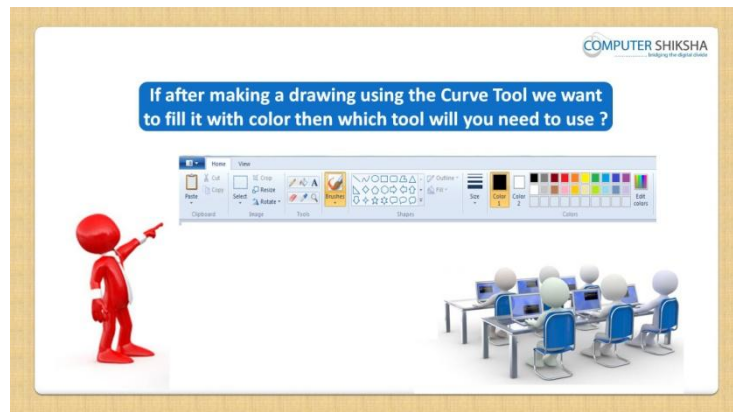

270. To stop video time at 56 seconds in VLC Media Player.

Stop video here and ask if they can they tell how many times one can bend 'Curve tool'?

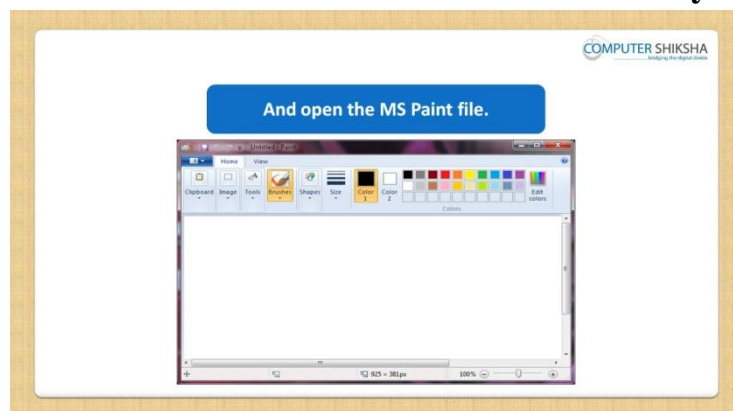

Just listen to the answers and play the video again for the correct answer.

271. To stop video time at 1 minute 16 seconds in VLC Media Player.

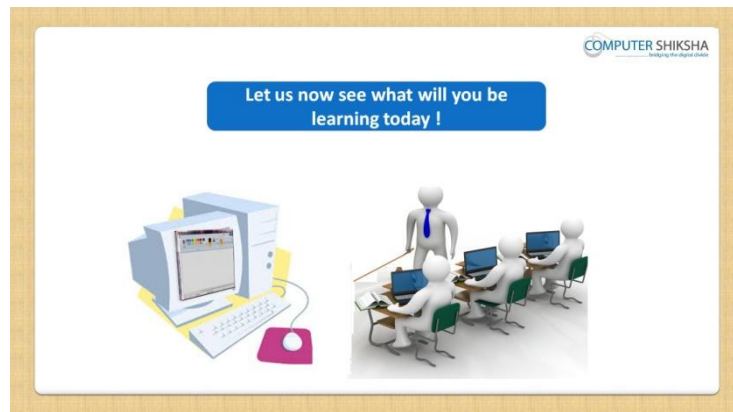

Stop video here and ask if they know which tool will be used to color after completing the drawing with help of 'Curve tool'?
Just listen to the answers and play the video again for the correct answer.

272. To stop video time at 47 seconds in VLC Media Player.

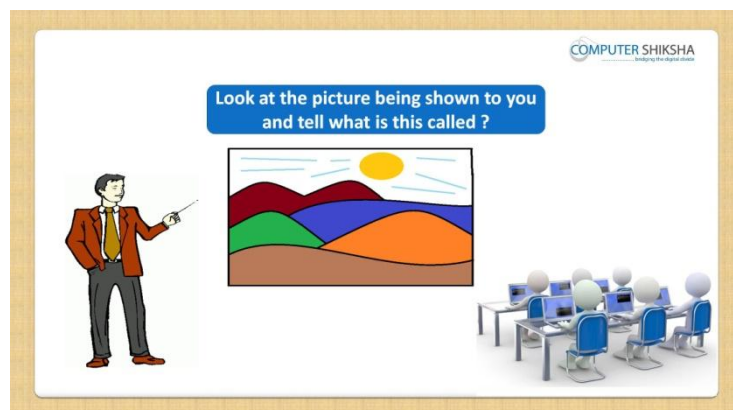

Stop video here and ask students to open MS-Paint file and then play the video again.

273. To stop video time at 1 minute 58 seconds in VLC Media Player.

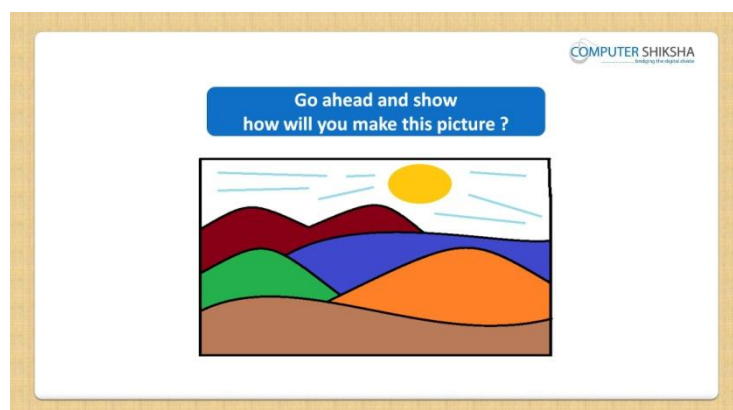

Stop video here and ask what will we learn today?
Just listen to the answers and play the video again for the correct answer.

274. To stop video time at 2 minute 05 seconds in VLC Media Player.

Stop video here and ask what the given picture is called?
Just listen to the answers and play the video again for the correct answer.

275. To stop video time at 2 minute 32 seconds in VLC Media Player.

Stop video here and ask if they can draw this picture?
Just listen to the answers and play the video again for the correct answer.

276. To stop video time at 3 minute 11 seconds in VLC Media Player.

Stop video here and ask students to select 'Rectangle tool' and draw a box as shown in the video and then play the video again.

277. To stop video time at 4 minute 12 seconds in VLC Media Player.

Stop video here and ask students to select 'Curve tool' and draw as shown in the video and then play the video again.

278. To stop video time at 4 minute 19 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

279. To stop video time at 6 minute 33 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

280. To stop video time at 7 minute 15 seconds in VLC Media Player.

Stop video here and ask students to select 'Oval tool' and draw filled oval as shown in the video and then play the video again.

281. To stop video time at 8 minute 15 seconds in VLC Media Player.

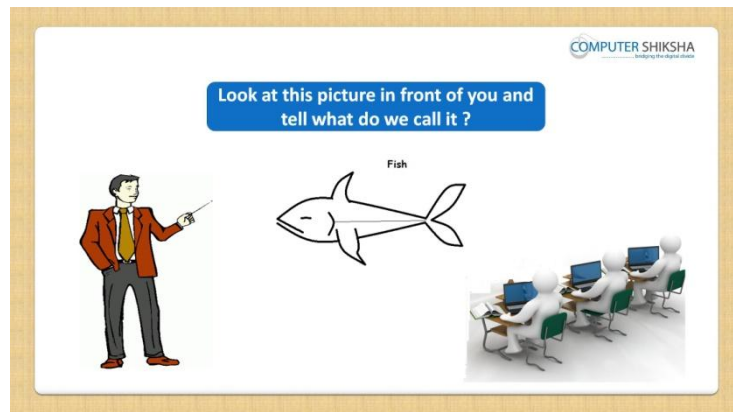

Stop video here and ask students to select 'Line tool' and draw as shown in the video and then play the video again.

282. To stop video time at 9 minute 33 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

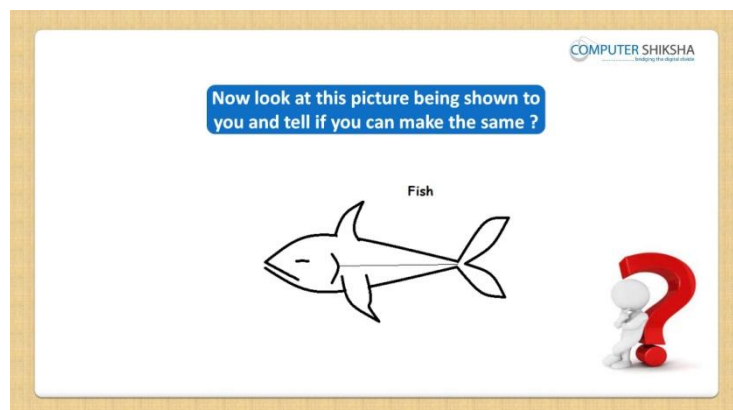

283. To stop video time at 9 minute 41 seconds in VLC Media Player.

Stop video here and ask what the given picture is called?

Just listen to the answers and play the video again for the correct answer.

284. To stop video time at 9 minute 53 seconds in VLC Media Player.

Stop video here and ask if they can draw this picture?

Just listen to the answers and play the video again for the correct answer.

285. To stop video time at 10 minute 50 seconds in VLC Media Player.

Stop video here and ask students to select 'Curve tool' and draw as shown in the video and then play the video again.

286. To stop video time at 12 minute 51 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

287. To stop video time at 14 minute 24 seconds in VLC Media Player.

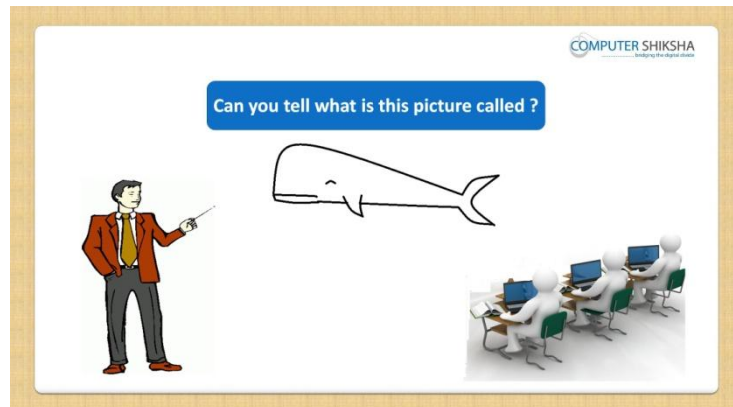

Stop video here and ask students to do as shown in the video and then play the video again.

288. To stop video time at 17 minute 16 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

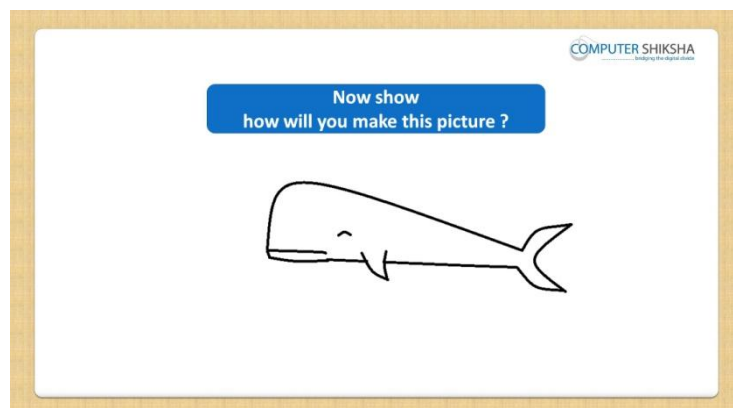

289. To stop video time at 17 minute 20 seconds in VLC Media Player.

Stop video here and ask what the given picture is called?

Just listen to the answers and play the video again for the correct answer.

290. To stop video time at 17 minute 30 seconds in VLC Media Player.

Stop video here and ask how to make this picture?

Just listen to the answers and play the video again for the correct answer.

291. To stop video time at 18 minute 34 seconds in VLC Media Player.

Stop video here and ask students to select 'Curve tool' and draw as shown in the video and then play the video again.

292. To stop video time at 19 minute 34 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

293. To stop video time at 20 minute 15 seconds in VLC Media Player.

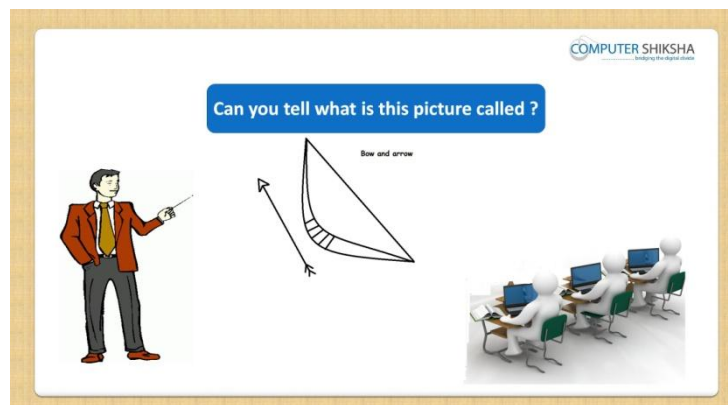

Stop video here and ask students to do as shown in the video and then play the video again.

294. To stop video time at 21 minute 52 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

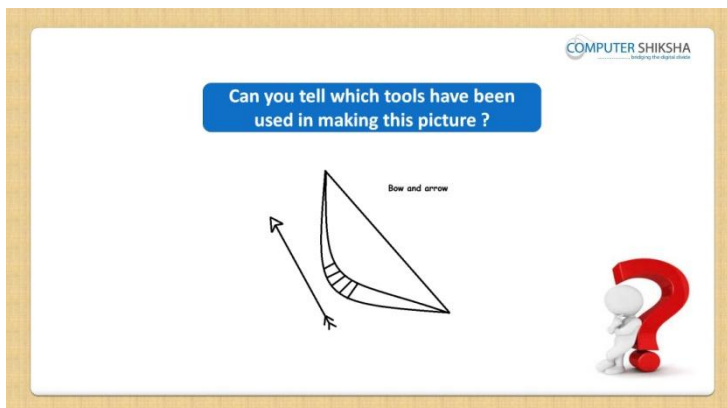

295. To stop video time at 22 minute 00 seconds in VLC Media Player.

Stop video here and ask what the given picture is called?

Just listen to the answers and play the video again for the correct answer.

296. To stop video time at 22 minute 10 seconds in VLC Media Player.

Stop video here and ask which tool is used to draw this picture?

Just listen to the answers and play the video again for the correct answer.

297. To stop video time at 22 minute 10 seconds in VLC Media Player.

Stop video here and ask students to draw the given picture and play the video again.

298. To stop video time at 23 minute 10 seconds in VLC Media Player.

Stop video here and ask students to select 'Curve tool' and draw as shown in the video and then play the video again.

299. To stop video time at 24 minute 18 seconds in VLC Media Player.

Stop video here and ask students to select 'Line tool' and draw as shown in the video and then play the video again.

300. To stop video time at 25 minute 07 seconds in VLC Media Player.

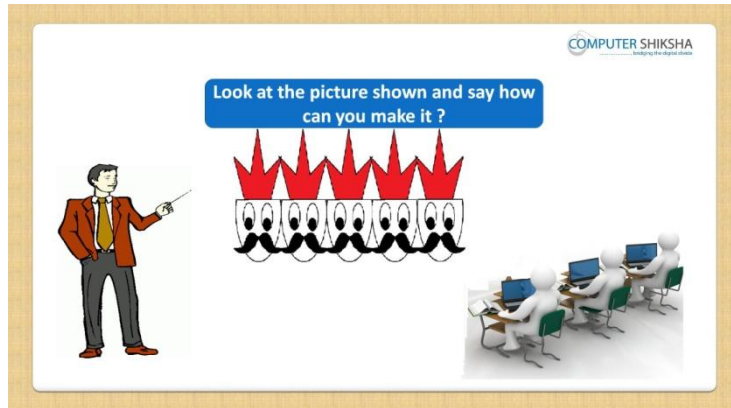

Stop video here and ask students to select 'Curve tool' and draw as shown in the video and then play the video again.

301. To stop video time at 26 minute 07 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

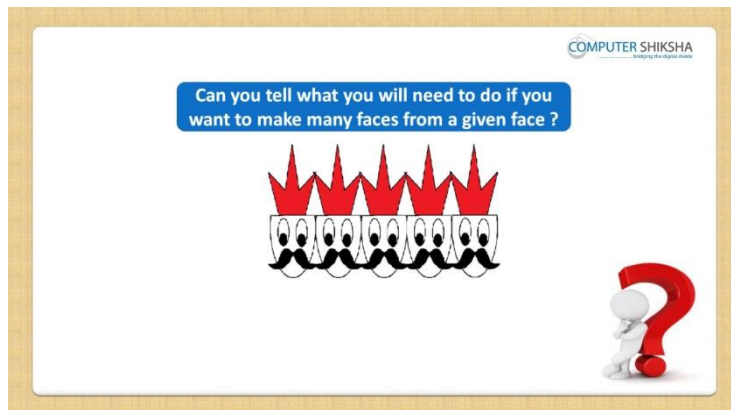

302. To stop video time at 26 minute 14 seconds in VLC Media Player.

Stop video here and ask how to make this picture?

Just listen to the answers and play the video again for the correct answer.

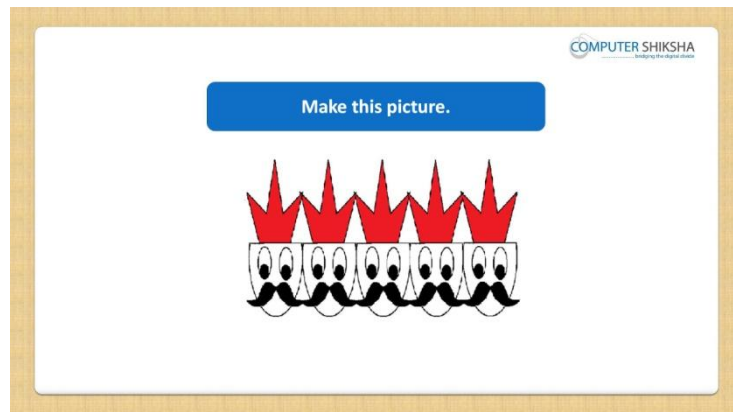

303. To stop video time at 26 minute 33 seconds in VLC Media Player.

Stop video here and ask, what will they do to make many faces from a given a face?

Just listen to the answers and play the video again for the correct answer.

304. To stop video time at 26 minute 46 seconds in VLC Media Player.

Stop video here and ask students to draw the given picture and play the video again.

305. To stop video time at 27 minute 20 seconds in VLC Media Player.

Stop video here and ask students to select 'Oval tool' and draw as shown in the video and then play the video again.

306. To stop video time at 27 minute 47 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

307. To stop video time at 29 minute 31 seconds in VLC Media Player.

Stop video here and ask students to do as shown in the video and then play the video again.

308. To stop video time at 30 minute 54 seconds in VLC Media Player.

Stop video here and ask students to do 'Copy and Paste' as shown in the video and then play the video again.

309. To stop video time at 34 minute 01 seconds in VLC Media Player.

Stop video here and ask students to select 'Curve tool' and draw as shown in the video and then play the video again.

310. To stop video time at 35 minute 23 seconds in VLC Media Player.

Stop video here and ask students to select 'Polygon tool' and draw as shown in the video and then play the video again.

311. To stop video time at 36 minute 02 seconds in VLC Media Player.

Stop video here and ask students to do 'Copy and Paste' as shown in the video and then play the video again.

312. To stop video time at 36 minute 20 seconds in VLC Media Player.

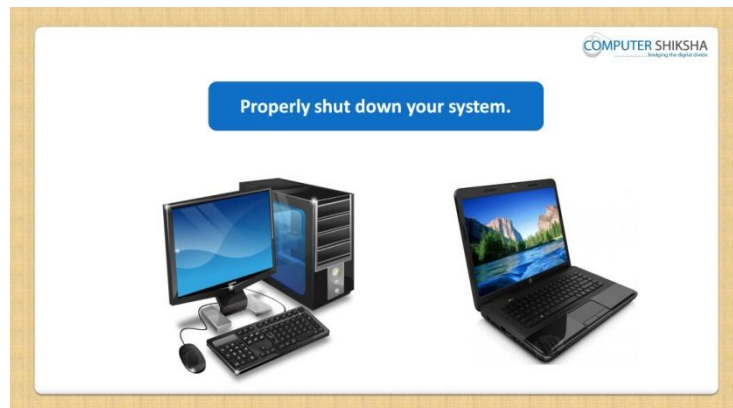

Stop video here and ask students to do 'Copy and Paste' as shown in the video and then play the video again.

313. To stop video time at 36 minute 50 seconds in VLC Media Player.

Stop video here and ask students to do 'Copy and Paste' again as shown in the video.

Now just check whether they have completed the picture or not and then play the video again.

314. To stop video time at 36 minute 58 seconds in VLC Media Player.

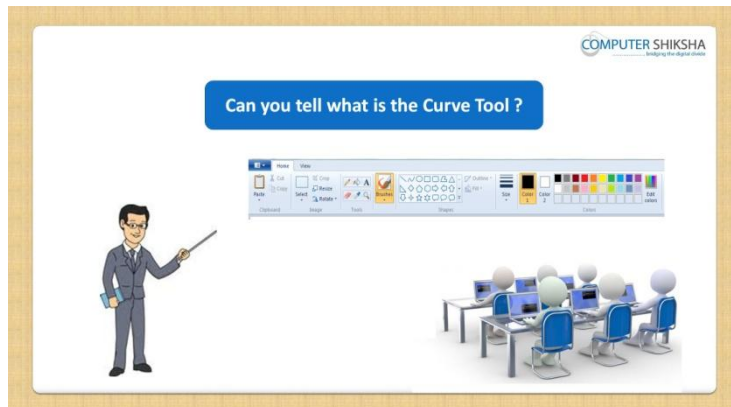

Stop video here and ask students to save their file and properly Shutdown the computer.

Summaries

- ✓ You will learn about Rounded rectangle tool .
- ✓ What is Rounded rectangle tool?
