## Self-Learning Videos in Regional Languages - status update

As per plan Self Learning Videos in the following languages are being made in the following languages and here is where the development stands

1. **Bengali** - Paint 1, Writer 1 & Writer 2 Modules completed
2. **Marathi** - Paint 1, Writer 1 Modules completed
3. **Oriya** - Paint 1, Writer 1 & Writer 2 Modules completed
4. **Tamil** - Paint 1, Writer 1 Modules completed
5. **Telugu** - Paint 1, Writer 1 & Writer 2 Modules completed

We are estimating that all modules would be completed and uploaded on the Computer Shiksha Youtube channel by March 2018. You could check the videos that have been uploaded till now at <https://www.youtube.com/channel/UCwz0HyjfKhXWFmOKKto1Vhg/playlists>

We shall therefore be in a position to reach out to schools / learning centres in the states of West Bengal, Maharashtra, Odisha, Tamil Nadu and Andhra Pradesh starting January 2018

## Expansion Plans - how you can help

After the self-learning videos are ready we will be ready to expand and reach out to the other parts of the country as soon as possible. We need the help and support of as many individuals and institutions who could partner with us to reach Computer Shiksha to all those who need it in our country. Be on the look out for the following and when you find them direct them to us.

- Passionate individuals who have a missionary zeal to bring change to the world. They should be willing to "lead" the expansion of Computer Shiksha in their area. This would mean shortlisting learning centers, doing the due diligence to gauge their commitment and co-ordinating with the Computer Shiksha management team to start and then monitor the programme.
- Committed institutions who are taking education to the under-served communities of the country and would be eager to take computer literacy to their catchment pool of beneficiaries
- Corporates who are supporting the "Digital India" initiative as a part of their CSR anywhere in the country
- IT departments of large corporates who usually either destroy / donate / exchange old laptops/desktops and would be willing to donate these to Computer Shiksha.
